At el Toreo de Cuatro Caminos (New Result)

1. Mil Mascaras, Tinieblas, and el Hijo de Tinieblas (with Alushe) versus Kokina, Signo, and Black Power suspended in the third fall because of a power failure (not a blackout but a brownout, they had some light but the light was too low to see). Rematch next Sunday in the main event.
2. Gran Hamada, Solar I, and Villano III won 2-1 over Negro Casas, Rambo, and Scorpio I. It was in the first fall the lights went down but since it was still in the late afternoon they managed to finish it. Good match.
3. Negro Navarro, Engendro, and Insomito drew in the third fall with Texano, Silver King, and Villano I. Good match.
4. Super Raton, Super Pinocchio, and Ruben Garica defeated Cabllo Loco (making his el Toreo debut), Kahos I, and Scorpio junior two falls to one.
5. Jose Luis Felciano, Black Terry, and Angel Mortal defeated Zeus, Katana, and Celestial two falls to one.

At la Arena Isabel in Cuernavaca, Morelos (Old Result)

In the main event, los Hermanos Dinamita (Cien Caras, Mascara Ano Dos Mil, and Universo Dos Mil) defeated los Movie Stars

(Atlantis, Octagon, and la Mascara Sagrada) two falls to one to win the Mexican National Trios Titles. Ever notice in the EMLL that the faces always win the title in Mexico City but the losses are always out in the countryside?

at la Arena Coliseo (Old Result)

In the main event of the Eduardo "Eddy" Palau benefit card The Blue Demon junior, Tinieblas, and el Hijo de Tinieblas (with Alushe) defeated Masakre, M S 1, and el Satanico (los Infernales) two falls to one when masakre was disqualified in the third fall for removing the mask of Tinieblas senior.

at Santa Anita Lagos de Moreno, Jalisco (Old Result)

This is the hometown of los Hermanos Dinamita. They defended successfully their trios titles over Konnan el Barbaro, el Rayo de Jalsico junior, and Atlantis two falls to one.

Monday, August 5, 1991

at el Audetorio la Laguna in Torreon, Coahuila (Old Result)

Konnan el Barbaro won a chain dog collar match in one fall from Fabuloso Blondy. They had the chain strapped to their wrists but it was then a dog collar match (using the chain outside the ring, etc.), not a standard touch-four-corners Russian Chain match.

At la Arena Ecatepac in Ecatepac, Mexico (Old Result)

In the main event, Kato Kung Lee I and el Rayo de Jalisco junior defeated el Medico Asesino junior and el Angel Blanco junior two falls to one in the main event.

Sunday, August 18, 1991 (New Result)

At la Pista Arena Revolucion

1. Zuleyma pinned Lady Star in the third fall with a desnuncadora to retain her UWA World Women's Championship. Very rare for a women's match to be the main event in Mexico City, even for a title match; first I've seen it in two years.
2. CHamaco Segundo defeated Comodin two falls to one in a bloody caballera contra caballera match. Good match.
3. Super Astro, Angel Azteca, and Black Magic defeated Hussein el Gran Sheick, Ponzona, and Comando Ruso two falls to one. I find it hard to believe, copnsidering the rudo team, but it was rated a good match also.
4. Vulcano, Tony Arce, and Arcangel de la Muerte won a non-title match over Ciclon Ramirez, Aguila Solitaria, and

- Pantera II (las Saetas del Ring) two falls to one.
5. Eclipse, Misterio Tapatio, and Charger won two straight from Climax, Rey Aguila, and Rocco Valente.
 6. Chavo Lomeli and Halcon Negro won two of three falls from Magia Azul and Gran Apache.

News and Notes

1. Espectro junior, one of the EMLL trainers with his own gym in Mexico City, has gotten so fat and out of shape the magazines are ragging on him.
2. They are now selling el Gran Davis T-shirts (with the Super Luchas logo on the back) in Mexico City. Has any other strictly referee had his own t-shirt?
3. Eduardo Palau was born 9/22/13 and was part of the debut card of lucha libre in Mexico 9/21/33 at the old Arena Mexico. He retired from wrestling in 1945 due to knee injuries and reffed for 40-plus years.
4. Some of the wrestlers have professional occupations. Rokambole is a licensed medical doctor and there are four wrestling lawyers (Mexico's law system is such that it is much easier to get a law degree there than in the US). The four lawyers are Aqua Man, Justiciero, Scorpio junior, and Doctor Wagner junior! (per Super Luchas, p. 3, issue no. 22, dated 8/8/91). Lizmark is a licensed hotelier (hotel manager)...

See you in Tijuana, I hope, next Friday night.
